

# Join the Lake County Contractors Association and remain relevant to what is happening in our industry!

*“Stay abreast of current trends. Have the ability of endless networking opportunities with your target audience at our monthly meetings.”* President, Bill Vignocchi

**Cost Effective Education:** Technology, Safety, Government Contracting, Construction Industry issues.

**Affinity Program:** Have access to a wide variety of discounts and special saving programs from well-known vendors, as well as internal discounts that are offered from member to member.

**Safety:** Stay up-to-date with new safety regulations and have access to a group of safety professionals on the LCCA Safety Committee with advice on individual questions and issues.

**Labor Relations:** Benefit from being able to assign your “Bargaining Rights” and not face this time consuming task alone. Our affiliation with MARBA allows for a solid voice with affiliated industry associations at bargaining time.

**Government Affairs:** Stay up-to-date on important issues that affect our industry. Current legislative issues such as Prevailing Wage, Worker Comp reform, Collectively Bargained Worker Comp and much more. The LCCA is actively involved in the Illinois Construction Industry Council (ICIC) that represents our interest at the state level.

**Networking:** With a diverse industry membership with over 189 members in 30 categories has a wide variety of potential clients or resources for your company. Doing business with a member is a sure way to improve quality, reduce cost and grow your business.

**Events and Participation:** Current industry trends, relevant topics and solid networking happen at every LCCA event. These are positive and fun events that include monthly opportunities to find information and share ideas with this “close knit” group.
